

GENERAL RULES

Art. 1 – IDENTIFICATION

As soon as the guests arrive at the campsite, they will be required to show an identity card (or passport or driving licence) for each person of the group – according to the Italian law, the campsite must register all persons.

At the moment of the registration a bracelet will be given, which must be worn during the stay at the campsite, and also a little badge, which must be hanged from the mirror of the car.

Art. 2 – HOURS OF SILENCE

Guests must respect the time of silence from 23.00 to 7:00.

During these hours, it will not be possible to circulate with any motor vehicle inside the campsite. Even outside these hours, guests are required to maintain appropriate behaviours, according to the quiet living and civil coexistence.

Art. 3 – CARS

Cars must respect the speed limit of 5km/h on the campsite. In addition, they must always be parked on the pitch in use by the guest or in specially marked parking spaces near the mobile home.

Art. 4 – SWIMMING POOLS

The use of the pools is reserved for the guests of the campsite. Guests are required to respect all the regulations, which are exposed at the entrance of the pool area.

Art. 5 - VISITORS

Visitors are admitted only after registration and identification through ID, passport or driving licence, at the Reception of the campsite. Visits are free of charge within one hour, after which the price list will be applied. In high season, visitors are allowed to enter only if visiting departing guests or family members staying inside the campsite.

Art. 6 - DOGS AND OTHER ANIMALS

Dog owners are required to sign and respect the rules and regulations that can be found in the section "dog regulations". Other types of animals are not allowed. Also remember that no animal can be accepted in the absence of the mandatory health documentation.

Art. 7 - MINORS

Each adult is responsible for the behaviour of the minors they accompany. Minors must be supervised by an adult in the pool area as well as on the lake, in the toilets and in the use of leisure activities. Any damage caused by minors will be at the expense of the adult, who accompanies the minor.

Art. 8 - RULES OF BEHAVIOUR

Each person is required to behave in a civil and respectful manner inside the campsite and in the equipped areas, as well as to observe order and hygiene.

Structures, facilities, furnitures, trees and plants must also be respected. Toilets must be left in the condition in which they would like to be found.

Art. 9 - SEPARATE COLLECTION

It is mandatory to differentiate the garbage according to the standards exposed in each ecological island.

Art. 10 - INFECTIOUS DISEASES

Each guest affected by infectious diseases is required to report the fact at the Management of the campsite. The management reserves the right to expel guests who will be considered harmful to the health of other guests.

Art. 11 - DAMAGES CAUSED BY FORCE MAJEURE

The management does not assume any responsibility for damages caused by bad weather or force majeure. Furthermore, the management is not liable for accidents or injuries caused by other campers or for lost or stolen property.

Art. 12 - FREE FIRES AND BBQ

It is absolutely forbidden to light free fires. The use of bbq - gas or charcoal - is permitted subject to compliance with all precautions for public safety.

Art. 13 - GENERAL PROHIBITIONS

It is strictly forbidden damage electrical systems, introduce firearms of any kind or other objects considered offensive and dangerous into the campsite.

Art. 14 - RECORDING

The registration by law at the structure implies the full acceptance of this regulation, of the privacy policy and of the regulation for the use of video-control systems. All regulations are displayed in the appropriate spaces and can be requested at any time at our reception.

Art. 15 - NON-OBSERVANCE OF THE REGULATION

Non-observance

of the above rules will cause the expulsion from the campsite
